2019 Black Friday Trios Presented by Pro Bowl West

At this year's Black Friday Trios on November 29th, there were 27 teams. The teams bowled three regular team games and six Baker games. The scores were not as low as they were in 2018. It was quite a competitive tournament as only one 700 would be shot in game 2 by the Cutler and Jason & Justin Flaugh team. This would be in the second game of the team games. Terry Rohrer, EJ Tackett and Ronnie Russell was probably the strongest team in the 2019. Black Friday's Trios was three team games followed by six Baker games. They would take the top four into the step ladder finals and two more teams would cash making a total of six teams. It would take a score of +72 for 15 games and would take a score of +108 to make the stepladder finals.

In the stepladder finals, Cory Hersha, Michael Kittrell, and Aaron Beaver would take on EJ Tackett's wife and brother in the first match. They could not beat them in the first match. The semi-finals featured Ronnie Russell and EJ Tackett as EJ would have to face his wife and brother in the match. However EJ's team would come out on top. The championship match saw Doug Cutler, Jason & Justin Flaugh. Cutler and the two Flaugh cousins would put on a great show, by rising to the challenge to finish as the strongest team of the tournament. They had a forty-two pin lead going into the championship game. Both teams would struggle; however, the tournament leaders would come out on top.
