

Josh Hyde Bowling

Ebonite Lafayette Open

The Ebonite Lafayette Open featured a 39 foot flat pattern, with four squads of bowlers, who bowled four games of qualifying. Each squad would be taking the top four bowlers into the next day. While the top 16 scores of the day would also go onto the next day. Brian Cave started out the day with a 263, however he struggled with games of 167, 150, and 184. Later he would qualify on a different squad. Scores were low as it only took a score of -22 by Shawn Bibee. Bowlers could not get lined up as a number of them would have a great game followed by a bad game. The tournament leader was Mike Cowell who shot a score of + 65.

In match play the scores were low as the first day was. There were a number of matches won with games of 190's, 180's, 170's, and even a 160 game. Bowlers were having a hard time finding the pocket. In the first round of match play defending champion EJ Tackett won his match two games to one. TJ Schmidt was fortunate to win his second game with a 160 game had he not won that he would have been out. In the round of 16 bowlers were still struggling to shoot 200. As a number of matches were won with low games. In the round of 8 there were two matches that were higher scoring for the tournament. Jimmy Cook vs JR Raymond. Raymond was able to out bowl Cook by bowling 230 and a 240 games to take that match 2-0. The match between Riffle and Sayffarth saw it taking three games. The third game was a high scoring as both players bowled games over 220, with Riffle winning 233 to 223.

In the round of 4, both matches only took 2 games to advance to the championship match. JR Raymond defeated John Riffle with games of 180 and 194. In the other match T. J. Schmidt won with games of 185 and 206. Schmidt has not been able to get past the round of 32 after beating defending champion E.J. Tackett in the round of 8. He never lost a game, winning quite easily 2 games to 0 in both matches. In the championship match he bowled a 263 the first game. He then followed it up with a 215 to claim the title, and the \$1,300 top prize.
