Hello Strikeholders,

Wow, what a year for Josh Hyde Bowling. On my personal bowling I started the year with a bang with three 300's and two 800's with a 300 game. I am writing this annual report hoping to finish up the Bowlology resource paper. In November I did a single pin spare analysis, identifying impact zones on where the ball must hit the pins on one pin spare. The Bowlology Research paper is going to be 180 pages long. Identifying the impact zones was a key part as I have expanded my knowledge of the sport of bowling. Some exciting news is I made an old fashioned PBA member school to my Bowlology Academy. The commissioner of the PBA Tom Clark was quite interested in what I wrote about in this course. Hopefully we will be talking about it at the US Open in February. The Bowlology research paper includes all aspects of the game of bowling. It will initially be the curriculum for Bowlology Academy.

It was sad to see one of the PBA icons Mark Roth the father of the power game pass away. The last time I saw him was in 2015 at the Tournament of Champions. Mark Roth was a legend when he won 8 titles in a single season. Also it was sad to see Pete Weber and Walter Ray Williams Jr retire from the PBA Tour circuit, but they will still continue on the PBA50 Tour.

What a year in pro-bowling when Kyle Troup won a half a million dollars in a single season on the PBA Tour. Additionally Josie Barnes won a \$100,000 winning the US Women's Open in a tight championship match. Chris Via won the U.S Open and the USBC all events title in the same year. Anthony Neur became the fourth player in PBA History to convert the seven-ten split. These are just some of the highlights of the 2021 Pro-Bowling.
