Ten Pin Staffers Chronicles

Hello Everyone!

My apologies. I've been so busy covering the PBA Tour as that's my main focus as what I cover with my news letter. I have finally had time the first weekend of April . To sit down and work on The Striking Mastermind program. In the E-mail attachments will be the Striking Mastermind Exam answer sheet, and Striking Mastermind certificate. I would like to thank all who contributed to the Striking Mastermind Exam. All your support is greatly appreciated. Also we have not had a conference call since 12-15 . My plan is on April 18 at 6 pm EST 5 Pm CST. We will have a conference call. If some of you can not make that commitment please email me at josh@joshhydebowlng.com We will be disguising the Striking Mastermind Exam and what can be improved on the striking mastermind Exam . If you feel like the striking Mastermind exam does not need any improvement and you feel like the conference call would be pointless please let me know . The phone number is 712-775-7031 access code 348109 . Please let me know thru email if the Ten Pin Staffers Think that the Striking Mastermind Exam can be improved on and we do not need to have the conference call on April 18 . Thank you again for being apart of the Ten Pin Staffer Team .
