2026 Johnny Petraglia PBA50/BVL Tournament of Champions	

Chris Barnes joined Walter Ray Williams Jr, Wayne Webb, and Mark Roth as the only bowlers who have earned PBA and PBA50 Player of the Year. Barnes won two titles at the PBA50 Fire Lake and Johnny Petraglia BVL PBA50 Tournament of Champions.

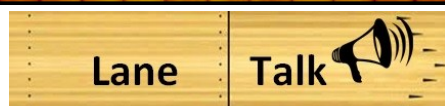

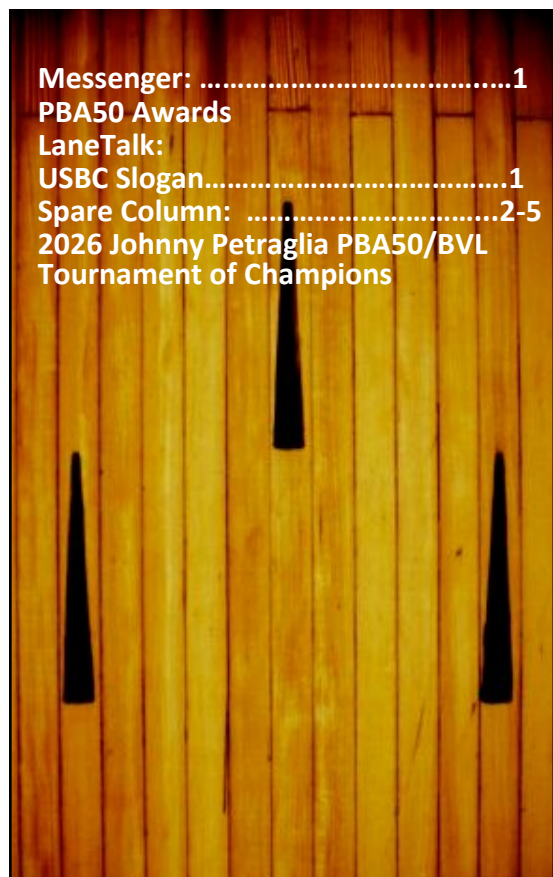

"Those goals were in play all the time on the PBA Tour, and I tried to tap it down a notch (on the PBA50 Tour)," Barnes said of the Player of the Year award.

Mike Machuga would earn PBA50 Rookie of the Year. Machuga would have a steady season as he finished in ninth in the overall points. He did not plan on bowling much but he had a good start. Machuga would also have a one television appearance in PBA50 World Championship.

"Obviously it's easier to enjoy yourself when you're doing well," Machuga said. "Being around the guys and feeling like Chris Barnes' little brother again, there were a lot of little things that added up to enjoying (the PBA50 Tour)."

Amelto Monacelli would be the PBA60 Player of the Year. This would make him the first international bowler to earn the PBA50 Player of the Year. Monacelli would shoot a 300 during the stepladder finals of the 2026 USBC Senior Masters. Monacelli would also join an elite group of Walter Williams Jr and Parker Bohn III as the only three players to win these honors.

"For me personally, this is something that I actually dream about doing because I really take care of myself physically," Monacelli said. "This is my way of life, and I want to keep winning. Carmen Salvino was one of the guys that kept himself in the best shape. I want to have that ageless style."

2026 Johnny Petraglia PBA50/BVL Tournament of Champions

Barnes wins PBA50 Title #10

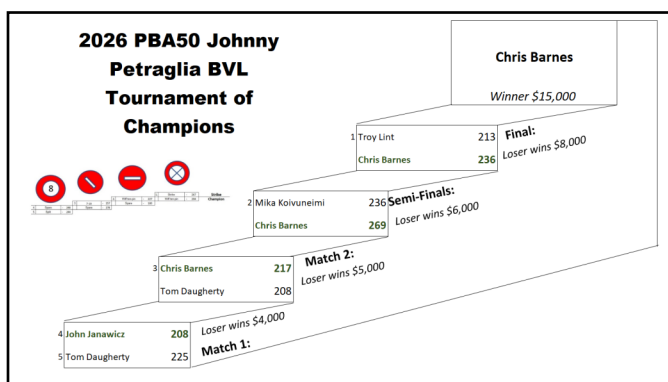

Chris Barnes won his tenth PBA50 title at the Johnny Petraglia PBA50/BVL Tournament of Champions. Barnes would defeat tournament leader Troy Lint 236 to 213.

“Once Troy (Lint) bowled the tenth frame and I knew I had won Player of the Year, it hit all at once that it was probably more important to me than I had wanted to believe. It has been a long time since I had been Player of the Year on the (PBA) Tour.”

With Barnes winning Johnny Petraglia BVL PBA50 Tournament of Champions and becoming the 2026 PBA50 Player of the Year. In the semi-final game Chris Barnes would defeat Mika Koivuneimi 269 to 236 this match was a strikefest. Koivuneimi and Barnes would strike a significant amount. Barnes would join an elite group with Wayne Webb, Mark Roth, and Walter Ray Williams, Jr to earn PBA & PBA50 Player of the Year awards.

In the open match the defending champion John Janawicz would have a hard time getting the pins to cooperate. This would give Daugherty a chance to take advantage and he prevailed. Daugherty would win the game over Janawicz 221 to 208. The next match featured Chris Barnes and Tom Daugherty at the start of the match both players looked lined up. Daugherty ran into trouble. Barnes was able to strike giving Daugherty a run for his money. Barnes would win the match 236 to 217.

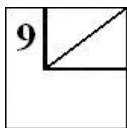

At this year's Johnny Petraglia BVL Tournament of Champions there were only three 300's shot during the Tournament of Champions. It was a great season finale as the four contenders for PBA50 Player of the Year came down to the last game of the year. If Troy Lint would have defeated Barnes the PBA50 player would have been won by Tom Hess. If Mika Koivuneimi would have won the tournament he would have earned PBA50 Player of the Year. Chris Barnes would take the lead early in the tournament and never look back. There would be two super duper seniors that were 70 and over. Charlie Tapp and Tom Baker would earn \$250.00 each. In addition there would be seven super senior bowlers that would earn \$500.00 each for their efforts. The tournament had a great ending as the winner would earn PBA50 Player of the Year.
